

The poster features a central circular frame containing a portrait of a young Harry Potter with his signature black hair and round glasses, wearing a blue robe and a red and gold striped scarf. The background of the poster is a detailed illustration of a dark, gothic-style castle with tall, pointed towers. In the foreground, a large, dark steam locomotive is partially visible, emitting a bright beam of light from its headlight. In the lower right, a smaller Harry Potter is shown holding a white owl, with another owl flying nearby. The sky is a mix of dark blue and fiery orange-red, suggesting a sunset or sunrise. The overall style is whimsical and magical.
