Page 7

Allan!

!!!

Hm, what...?

Whadda ya gonna have? May I take your order? I...

I'll have the libguini and the Barolo Oh...

Have you seen the shitstorm on TikTok

People always whine when someone takes away their candy. Yeah...

Page 8

And that's what he did. He's the boss.

And that's why he earns 120,000 a year.

Page 9

Oh no... C...C...

Could we have an autograph?

Page 10

Hi.

Could you sign this? I... I have a pen.

...

And... I...

I create fanart. Do you want...

Page 11

Can I help you, sir? (by throwing these young girls out.)

We're going anyway. What?

Come on. But...

I have my sketch book. Wait! Allan! Please!

Page 12

Please!

Please change your mind! You can just ditch everything we love! Are they following us?

No.

Page 13

It's so funny!

You're not even an A-list actor. I would be if...

It weren't for your four-eyed agent snake? No not him, really.

Paul?

Allan Sunshine! We need to meet soon.

I'm going to the press conference at the Old Vic, we can meet after... Are shitting me? You...

Paul! I spoke to Jonathan he's suggested Dieter Remhold!

Page 14

I though...

That chubby girl with her thick sketchbook was sweet. Sweet?

Sweet? I'll tell you how sweet these girls are! They believe that I should marry them! They draw crap illustrations for their sick fantasies!

They believe my characters have to have gay sex!

I will never google my name again!

Page 15

They only love me for the ridiculous crap I've done.

Page 16

...

Good Lord, where are they?

...

Old Vic Theatre.

Page 17

Who would sooner bear the burden...

...of groaning and sweating under a hard life...

...than the danger of something after death, the undiscovered country...

God, is he good.

So good... Do you think he...

..

AVA!

Bravo!! Bravo!

Page 18

Come on, Ava!

I'm meeting Jonathan backstage...

!

Paul?!

Allan Sunshine! Paul?!

I thought I'd never find you amongst all the intellectual freaks!

Page 19

Now come on! The car's waiting outside! Allan!!

Allan, you bastard! You're premiere is about to start! Maaaan!...

Jonathan!

Page 20

Jonath...

Come here guys! You were great! What a night!

Hey...!

It was unbelievable! Allan...

Don't you have a premiere tonight?

You offered to introduce me to Dieter Remhold, so I thought... Well, about that... uh...

Page 21

Mr. Allan Dale!

I'm surprised to see you here!

Mr. Remhold! How nice to meet you!

To what do I owe this pleasure, Mr. Dale? I'm here to get some insight and to learn. Oh...

You? To be on my stage at some point?

That would be like asking a boy to do a man's work. If you are ever in a Shakespeare play...

...let's hope it's only to play a tree in the background.

Page 22

...

...

Sorry, pal. I'm just a mean old man.

But my grandchildren think you're sweet. When is the next Young Destroyers coming out? It's called Young Protectors. But I'm not making them anymore.

I ended all my contracts.

Page 23

So, Jonathan...

...You ready for the Q&A? Sure.

Allan! I can hardly wait to see the new Young Destroyers!

...

Page 24

Welcome to today's press conference. I noticed that your interpretation

... resembles Veldenberg's 1980's production.

But, back then it was a commentary on the conflict in the Middle East, but I assume you had something else in mind?

Well, we all know what Veldenberg thought about contemporary references! Look what they had in the foyer.

Page 25

The magazine with you and the dog on the cover!

!!!

Allan!!

Page 26

Seriously!? Fuck you!! Hey!

Ava!

Allan is contractually obligated to show up with you at the premiere. Aaach. I don't want any more "Is he gay?" headlines...

I'm not Allan's accessory! Good bye! All right, come on...

The car's waiting.

Page 27

Leicester square

Page 28

Woah! Get back, folks!

Or you'll be hanging your autographed pictures on your prison wall! Is that clear?

Pff...

Page 29

Please... No...

At 9 you have an interview with the Observer.. Paul...

Why do these people always come?

...

Why don't you just enjoy it?

Page 30

For Pete's sake just feel these people's love!

Find the most hysterical babe and sleep with her- WHATEVER! Paul...take me home. I'm not going out there in that.

Page 31

You are!

Come on, this is the last embarrassing time. OK? Allan...Sunshine...

Paul...do something!

I really do not want to be remembered as the Corgi-boy!

I want them all to go away. The lecherous librarians, the spotty teenagers and the drunken Facebook moms.

I want to wake up somewhere nice where the sun is shining, Paul! Somewhere where I'm really important to people.

Page 32

I have fifty people I represent who would kill for the roles you don't give a shit about! You canceled all your contracts without asking me? Great!

Couldn't you have done that BEFORE I sent the twins to Claremont?! Do you have any idea how much this is costing me and Beth?

Uh... I'm from the organization team and I wanted to ask...

...

...

Mr Dale will be with you shortly. G...great.

Page 33

Now get out there! Do your job!

Back entrance?

O...Of course, let's go.

Page 34

Hey, where are you guys? Hay?

Forgive me, sire!

I only have Euros. I have as yet to get myself some pounds. Why the old fashion speak?

What're you doing in London?

I...I am in search of the love of my life. Only...

Kate!! Ashley!! Sorry we're late!

Someone was threatening to jump in front of the train!

Page 35

You wanted to jump in front of a train?

!!!

Could that have been a fan girl panic attack? Lia! Today is the day!

I mean... THE DAY!

Do you have the car? Here are our passes.

...

And I brought something very important...

Page 36

Just in case. Group hug!

I...I do actually need to visit the location again. Forget it, Lia!

Page 38

Mr. Dale!

How are you feeling now that you've canceled your contracts? How is the shoot with the Corgi going?

Did the dog behave?

Yeah, how was the shoot with the Corgi... It was fun!

Great locations, great people...

...an all-around great experience. Paul, shoot me.

Happily but another time.

Page 39

And now, pull yourself together! I'm trying, really.

...

Listen. I am meeting Milena Wellington tomorrow,

She is going to direct that 200 million dollar Macbeth in World War 2 feature. You...

You're meeting with Milena Wellington? The Milena Wellington? Tomorrow? About me? What? How?

Easy, Allan.

There are looking for someone who is manly enough for the lead.

Page 40

Yeah, and?

Milena is saying that its to be a really dark Macbeth. He destroys people...

...just by screaming at them. I can do that!

Page 41

I played that pseudo-vampire-villain part in the Young Protectors! For years! Okay, okay. I'll call you.

Milena...

Wellington... Isn't that...?

Nah... Ashley is in bed with the flu. Only the press today.

Hey folks! Stop pushing will ya?

Act like grown ups! Or come five hours earlier!

Page 42

Hurry!

Woah! Hold on there!

Where are your invitations?

Just kidding. In you come ladies. Keith is the best!

Hurry, we're really late!

Page 43

I'm... feeling a bit dizzy... Lia!

Lia! We agreed, no fainting!

That's the last of the press, Mr. Dale. Thank God. See you did it.

And without starting a fight with them. I'll be up in the balcony.

Oh, Sorry.

It looks like there still are some people. H...hello...

Page 44

...! h... ..

!!!

...

Come on... .. sit down.

Page 45

...

God I'm sick of people who come here unprepared. We...

Page 46

We...

...are prepared, my dear. Is that...

Are you about to... Paul...

Paul...!

Don't move. What?

This is only for the trip.

!!!

Page 47

Oh God. Oh my God!!!

Lia, now's not the time to panic! What horrible thing have we done?!

Excuse us. I'm a doctor. He isn't feeling well. It's nothing serious. Let us through.

He's going to hate us! No he won't!

Page 48

No he won't.

Page 49

... Ah...

What...

Page 50

...am I dead?

Is this heaven?

!!!

Page 51

H...hello Allan.

Oh God, is it really him? He is shockingly small! You're just really big, Lia! We...

We kidnapped Allan Dale.

Do you want...

...another pillow?

Page 52

Uh... Allan!

Are you not feeling well?

Your pulse and temperature are normal. Lia! Don't faint!

But... we...

Ashley, check the fangroup.

Why didn't Allan sign autographs after the premiere?? He doesn't like us.

Yes he does. He just can't show it.

Why doesn't he go to conventions anymore? Because some bitches are really pushy.

Page 53

Kind as always. Tea any one? Ohh! Thank you!

Excellent Agnes! I love 'em!

Page 54

Huff Huff Huff Huff Ah... Ah...

!!!

Page 55

Huff

!!

My cell phone! And the gun...

... Huff Huff

Page 56

Ah Ah Ah Ah Ah

Where the devil am I?

...

Come on...

Come on Ava! Answer!

Page 57

Paul!!

I was kid...

Jesus, Allan, you frickin' diva.

If you ever ditch one of my interviews again...

... you'll be switching to Andy's small town agency! That would be the death of you!

Page 58

Sorry Milena! One second! Sure.

Milena...

You're talking to Milena? Yes.

And you're in the middle of a margarita drinking contest.

What?

Paul... I... That... Paul...

Page 59

Hello?

p...please could you bring me to the next town. Or to a police station.

Can you understand me? God...

Ah....

Page 60

Th...Thank you. What?!!

Page 61

Thank You Gisela!

It's always a pleasure, Agnes!

We're watching you young man. Pff.

!!!

Page 62

The rules – no violence. Loyalty. What the hell do you want?!!! Money?!

How much?!

You are going to stay with us. And act for us.

What?!

Do you think you can just slither out of all your roles? Just quit?

Let our heroes down?!

Page 63

You will act out our scenes.

Today Only the Wind knows. Tomorrow The Young Protectors. Then Opportunity. Until all our stories are told.

You must give them happy endings. I'm getting the hell out of here!

And if you follow me, the law will be on my side when I stab you. Or you.

Or you.

Or your Stasi grandma! I've got something.

Stop!

Page 64

It's just photos.

!!!

In 2001, a pilot series was cancelled after just one episode. Has the show disappeared? Well, from the archives at least. But there was a mum in Northampton with a VCR.

She recorded it for her lovely daughter. (Thanks, mum!) Seriously? This show had everything...

Page 65

... ableism, misogyny, blackface... My dear, what were you thinking?

If you don't cooperate, we'll post the photos...

...across 5700 accounts on every social media platform. We will heal you.

Page 66

You know what? Look for my body in the forest!

Page 68

Shit...

This isn't right... Oh no...

The old car... Paul...

Sunshine! Don't freak out ...

Page 69

Paul, please... Allan!

...Milena likes the idea of you playing the lead. What...

Did she say that?

Page 70

But you're still her third choice.

William Dafoe and Joaquin Phoenix are her preferred choices.

She doesn't think you are masculine enough, or have enough experience.

...

Go to Milena's office Saturday. She's going to decide then.

That...that's in seven day. Yeah... Is that a problem Allan?

Please, pull yourself together by then. I... Yes...

Paul... Thanks...

Allan, sorry for doubting you.

For the horrible things I said. What I really want to say is... I love you, buddy.

Page 71

Paul! We're gonna finally walk the red carpet in Cannes! Sounds like a plan.

See you on Saturday! Okay you ugly freaks. Here's the deal.

Page 72

I'll stay one week. ONE.

No touching, No socializing! Just your stupid stories! Then you let me go.

And no one will find out what's happened. We said ten days...

<Whisper>

Is he allowed to set rules now? Come on!

Okay, deal! Ow!

It's now sealed.

Well then we'd better hurry!

Page 73

Follow me, Allan!

You want to start now? Exactly.

This damn forest is killing me.

Do you need me to hold your hand? Shut up.

Page 74

Please. Let me wake up from this nightmare. Ome in

This was a toy factory in the DDR days.

My grandma worked here once.

They made toys that went around the world without being able to have any themselves.

Page 75

She bought the factory when it closed. Isn't it heaven on earth?

So...

We'll start tomorrow! Here's your script.

...

We're just doing a reading, right? Yes.

Let's start.

Fate is notorious for taking paths that are harder to conquer than we would like.

The path to love can be the narrowest, rockiest path. With a deep chasm opening up beside your uncertain steps.

Page 76

On a cold December night in 1989, the fire took everything we loved. It took the house... and my sister's beautiful face...

Can you see it, Allan?

Allan! Let the magic embrace you!

Let the murky reality slip through your fingers and... Screw magic! I'm an actor.

Page 77

Call a doctor!

Get some water! Bring wet cloths!

Lillian! Please! Stay where you are!

Don't come any closer! The doctor will be here soon! My anne...

Page 78

...

Oh man, fuck my life. Mylady!

Don't look at her.

Page 79

Please...listen to me mylady! Don't look at her.

Please. Just don't look at her. How wonderful! It worked! Was that a great start?

Ohh, Victor!

Page 80

...

Paul: Hay Allan! Here is Milena's script. It is fuckin' good. She's a true artist! I love this film!

And for years there have been rumors about a sequel! But unless you agree to be in it...

...it'll never happen! A...Allan.

Page 81

And?

How's it going? Did he behave? Did you feel faint?

...

Oh, Good Lord!

Stay where you are!! Uh, no, hide!

Stay there!

???

Oh shriek! Oh no!!

No!

No fainting!

Page 82

... Hi!

Yes... Oh!

Your fan club meeting?

I recognize the costume! I loved Opportunity. Was a great show. Ha!

But I never understood what the you find so hot about that ugly Allan Dale.

!!!

Page 83

Right...

And you have made it with your job.

Delivering things to people all day but there's never anything for you. Uh...

...I don't want much.

H...have you got anything planned for Friday? Uh...!

I...I need to take care of Agnes... Agnes can take care of herself. Pick Lia up at seven...

Page 84

...

You are almost thirty. And Jurgen is serious! Not like that clown!

I wasn't born to marry a mailman!!

Page 85

Uhm...

You forgot your packages. Bye!

So! Any one hungry? Count me out.

Page 86

Don't you want any dinner?

...

Page 88

Stars, hide your fires;

Let not light see my black and deep desires The eye wink at the hand; yet let that be

Hey!

Why are you blocking the door? It's my turn today!

Page 89 Allan! Fuck off!

<Ping>

You being Chinese? It wasn't funny in 2002, and it's not funny today. Come on!

Absolutely perfect location! Take your script!

You like this super hero crap? Aren't you a doctor or something? Yes and soon that's all I'll be.

Page 90

New York Oh God!

Page 91

Keep calm! Please get off the streets!

Please follow instructions! Professor we have to run! The “Special hero Unit” ...?

Are the Young Protectors around...? Boss...! Belinda! Let us go!

They’ve got no chance against Herak!

Not as long as the last artifact is missing...

But they are the noblest superheroes of our time! Pfff...

Hey!

Page 92

I have a daughter at home! Just like you !

Herak!!!! Hey!!

Shock Wave!!!

It’s not enough!

Page 93

Wait! I’ll Sst!

Inferno! You’re not even trying to do it right! That’s a lie!

Once a villain, always a villain!

It was a mistake to think that you were one of us! AAAAAH

Page 94

Ahhh

Oh God!! Inferno!!!

Page 95

Inferno! Wake up!

Page 96

Hi! Some tea? Where am I?

...

... and...

Page 97

...who am I...?

Page 98

Aaaah... That was great!

You must lead a boring existence...

The character you played isn't in the films! And?

My ex-wife always liked my ideas. Ex-wife?!

You kidnap me and... Sweet Summerchild!

Many lesbian women love fictional men!

Page 99

You look tired Allan. Shut it!

?

For Lia from Jurgen

!!!

Throw it out!

Hey, mega freak, listen up... Wait! You listen to me!

Captain, we have an emergency!

Page 100

God, no please. Not that series... Captain!

Captain?

...

Captain is everything ok?

Page 101

Hey, Paul! I've started to read Milena's script! I love it! Listen, I can't do this shot?

Lacking the skills? Darius IV?

I thought the planet was uninhabited. Commander 507 and I are going down. With all due respect, sir...

507 is not right for this.

Page 102

...

Hindorf, take over! Aye-aye, sir!

To broaden our horizons, to leave the known behind... in search of talent and passion.

We travel to find all those who want to make the universe a better place. The best of them will join us on our mission. The mission of Opportunity.

Page 103

Laura!

Not even on board two days and it's already a cluster fuck! Hey!

We don't even know if 507 is a man or a woman or...! He identifies as a man, ok?

He has been helping the captain with calculations for 25 years. He is the captain's calculator??

Honey...

You haven't the slightest idea! Hello? It still runs on Windows!!!

Page 104

Find out who needs our help.

The signal's coming from the north-west. Snow?

A blizzard!!

There's a cave over there! Quick!

Page 105

Made it!

Minus 20 and falling. Ah

Ah

Captain...

I recommend sharing body heat...

...

Oh God!!

You're one of those! Shhh!!!

Page 106

We lost contact with Opportunity for five and a half hours. Ah

Ah

Captain... I just want to say...Thank you...

I know that you always believed that I was much more than...

...just a machine.

Everyone deserves a chance in life!

Captain...every day with you...makes my heart... But you don't have one, do you?

Page 107

A steak does not need to have been in a pan t know it's hot. Oh, my battery is dying.

I can't keep you warm any more. I...need to rest a minute.

Just...a minute.

System shutting down. Energy used.

Page 108

...

!!!

That's it?!

They're not coming back? Who sent the emergency call anyway? Who cares?!

And what was that stupid thing about the steak?! Are you stupid?!

He loves him!

Why the hell are you girls so obsessed with there being something between the two of them?

Page 109

Did you ever see the series? Seen it with your own eyes?

The scene was soooo romantic!! They die.

They die ROMANTICALLY!!

In my next episode you give in!

...

It's almost lunch time do... No!

Page 110

Ouf...

Hey! Do one of you freaks have a printer?

Page 111

Hey.

What a pathetic obsession... Homework? Oh God. Are you...

...a teacher?!

Best job in the world!

Jesus...they trust you with children?

Page 112

They love me! Look!

2019 San Diego promotional tour.

It cost me a fortune to find the same one! Dude, could you wear less exclusive stuff!

...

Maybe you should stop buying my things. Hey, do you have a printer?

What?

A 3 D printer for figurines? Whatever!

Page 113

So...that's what you do.

That explains the chaos and all the packages. You give this ugly trash 5 stars, right?

Page 114

It's a good job.

I don't have to leave the house so I can be here for Agnes. Is your printer on Bluetooth?

It is, yes.

130 pages. I'll be back later.

Page 115 Boohoooooohoo

Boohoo

Now what's wrong?! It...

Allan...it's so good...

Page 116

Hm...

Maybe, but I still have 70 pages to go. You...haven't read the end yet?!

...

...

... Okay...

Page 117

You see?

Expected and unexpected at the same time!

Masterful! The depiction of the Third Reich was so painful. That's probably the goriest most gruesome thing I've ever read...

... and yet it's oh so...

And there's a fucking Hans Zimmer soundtrack on top! Oh god, I'll never survive this!

They're going to have to sell tissues instead of nachos!

Page 118

Sniff Allan!

You're going to be great!

Hands down the most famous Macbeth of all time!

...

You just can't wait to see me in a Nazi uniform. That's it isn't it?

Page 119

Who do you take me for?! Sorry!

It's just that...

I don't have the part yet.

...

But you'll get it!

Page 120

Hey...why aren't you hooked on some other actor?

Some muscle-bound guy like Chris Hemsworth? Chris Pine? Chris Pratt? Or...any some other Chris?

...

I like how you look when you're mad. I adore every detail of your acting.

I love it when you shyly turn away...

... when you don't want anyone to see what you're thinking.

Page 121

Watching you play Victor brings tears to my eyes. I love to cry.

And I love the color of your ears when the sun shines through them. Good God in heaven!

And...

... for years I've been dreaming about how great it would be to get stuck in an elevator with you.

Pfff!

Ah ha ha ha!

Page 122 Hahahahahah

I'll tell you what would happen. We would pee in buckets.

There is nothing romantic about elevators!

Page 123

You made toys, once?

...

The kids must have loved you!

They got hardly any. They were all sent to the West. Why are you allowing this to happen?

Why are you participating in a crime? We do strange things for love.

Page 124

Pff, love!

Huh...

...guess you and an expert in romance!

... Duuut...duuut

Page 125

Ready?

You forgot your rose. Ahh!

Didn't you notice the hideous price tag? Ach, come on!

Romance is for people who never get laid! Why is it always about getting laid?

You started it with your elevator! Argh! Come on!

Page 126

Half the house burnt down...

... and yet they celebrate as if there were no tomorrow!

Now they have to marry off the twin sister to avoid poverty... But she's neither pretty nor elegant.

Uh...

Page 127

After the fire, my parents were never the same again... They even forgot me when the flu took me...

and made me lose my senses... Ah!

Oh, mylady!

Page 128

I have experience with this.

My wife has often had such attacks. Get well soon.

Page 129

Hff...

Lilian...?

Sleep, dearest Anne. Everything's just fine. Hfff

Hff Hff

Page 131

Hff Hff

Page 132

The young lady loves to be carried. The young lady would like to know...
whether you love her as much as she loves you.

...

Page 133

My lady...

you must be delirious. I'm only the butler.

How could I ever be anything else? I realized that night...

...that he was the most precious thing...

...that had ever come into my heart.

Page 134

Love is so somber these days!

No secrets, no resistance. Whereas back then...

... all that longing, that yearning... Things like that just don't happen anymore. That's right. In real life
I could never carry you.

It's the best movie in the world! How can you not see that?

God, you probably think Mamma Mia! was good too.

Mamma Mia! is a divine gift to humanity.

Page 135

...

Oh heavens!

He wants to take you out on a date. And you're going to say yes.

Page 136

You heard what the clown said. Hey.

Please forgive me for the way I acted last time.

I wanted to ask you. My family is having a garden party... Would you like to come with me tomorrow?

Oh... ..okay. Really?

I'll pick you up!

Page 138

Kate? How long have you known Lia? We met years ago at a comicon!

In line to get your autograph!

Oh...Was it in San Diego. The air conditioning there makes it so cold. Seriously. What's wrong with you Americans?

Page 139

They cut off the line right in front of us. Ashley was also there.

We look at each other...

...It was love at first sight. We cried. Okay, Lia cried with us.

We hugged for a long time.

But you said you can't stay a fan any longer? Why?

Page 140

I run a hospital, with an office on the top floor. What I do is a matter of life and death.

I can't cry at superhero movies, or go to conventions like they were Woodstock. It's not professional.

It's not what I was meant to do. But kidnapping me is professional. I can't force you.

But I can try to convince you. I'm a doctor, that's my calling.

You're an actor, you have to be there for my girls...

Page 141

Come and read the script with me. You were one of the bad guys, right?

And now you're one of the Young Protectors? Here drink this!

You were badly hurt.

It will take a while before you are your old self again.

Page 142

I'm going now! You're too weak! I have to go!

I'm going to destroy the Young Protectors! You can't destroy them...

You're one of them! Remember?! You're lying!

...

Page 143

Hey!

Why don't we bake a cake to unwind?

I.m inferno!

I don't bake cakes!

Peach pie? Come on!

...

Page 144

Aren't you going to change? I should be asking you that?

You still have your uniform on. Yeah...

I'm always on duty.

I hope my father behaves himself.

Page 145

Hey, Disney Princess!

Now tell me...do you want a classic cake... Or muffins at your wedding?

Dad. That's not funny!

Page 146

Man, I'm sorry!

It looks like everyone in your family does something...

... important...

We even have a doctor. How cool is that, then? But hey...I'm the only one without a girlfriend.

Page 147

Here, hot off the grill for our Disney Princess. All right. A fireman at the BBQ.

I like your family.

That makes me happy!

Here, I have some presents for you. T...thanks...

The fact that self-created horror torments me...

... is the fear of the novice who lacks practice.

Page 148

Good night Jurgen.

Thank you for not hating my family. No worries! It was fun!

So, how was your date? You're still up?

Jurgen gave you a present? Yes, this.

Isn't it amazing? Oh...

Yes...a...are you sure?

Page 149

Did you have a nice date, Lia?

I have to admit, better than expected. See you in the morning Allan.

Good night friends!

Tomorrow is my turn again! Heavens. I'm so tired.

Page 150

Jesus!!

Sorry, Allan...

Ashley is reading some 70 chapter fanfiction upstairs... It must be very captivating...

Page 151

Last updated January 2017.

How can you do that to me Fairylord 507?!

How can anyone expect me to just move on with my life now?! I'm also like that...

...when there's no happy ending. God, you are a bunch of idiots. Yeah... Maybe...

Page 152

Lia?

... Yes...?

Do you think....

Page 153

!!!

!!!

Milena Wellington will be at the Berlinale party tomorrow.

I've put your name on the list. Go and make yourself indispensable! I need to go to Berlin.

Berlin?

Page 154

Forget it, Allan!

Welcome to this early morning emergency meeting... Is it for your new part?

He's not going!

And it's my turn this morning! Allan, we made a deal remember? But...

If I stay William Dafoe or Joachin Phoenix will get MY part.

Page 155

...

...

You can't really want that!

You're not going to ruin our plans! I'm begging you...

No!

Don't humiliate yourself! Please...

...Read the script.

...

Okay! Okay!

Page 156

...

...

... Yawn!!

?!

Anyone with any sense loves Milena's films! I know exactly what kind of film it'll be.

All the cultural magazine snobs are gonna be thrilled! Mhhhh... So socially relevant!

Mhhh, Nazis scenes in black and white!

Mhhhh... high-end 4:3 format, indie art style, ahhhh!

Page 157

The period Fanfiction we write is awful!

But when Milena Wellington stages Shakespear in World War 2, she gets Oscars! It's art!

Oh, I see...

...you need the big boys to applaud you!

... I...

I... I want everyone to finally understand who Allan Dale is. And that he is the best actor in the world.

Page 158

...

...

Oh God, I'm so wishing they'll hook up!

I'm wishing harder than Dorothy wants to go home. I'm wishing for all eternal everlasting love!

I'm wish from here to the end of the earth! Please...?1

Grr...

Yeah, ok, go then.

Page 159

I'm just going to get a few things... Not so fast.

What?

We're coming with you. Yup.

How romantic!! I need a dress! NEVER.

Hideous! What series is that from?! X x

How could he post a photo like that??? Has he lost his mind?

Allan Dale is now an official member of the Old-White-Men Club. :C Just a small reminder.

Page 160

You'll get your access back as soon as we're finished.

... Now...

...give me the costume from the 2021 Toronto Film Festival from your collection.

Page 161

Oh, for all the angels in heaven, this is so exciting! Berlin, freezing and windy...

Guestlist?

Page 162

...

Hey! Oh...

Am I wearing the right dress for the occasion? You never do!

Page 163

A mojito.

Right!

The same for me. Coming up.

Oh, Allan, you're here? Hi, Bill.

So, which of your films is premiering here? None?

Right, but your Corgie film is still playing in the popcorn cinema. Cool poster. They took out all your wrinkles.

Page 164

Oh! Wow! The big stars!

Haven't you given up yet?

For heaven's sake, shut your mouth! Who ordered the princess from Wish? Go and talk to Milena.

Page 165

Hey! Allan!

Page 166 Hang on!

I'm sick of wackos that crash these parties!

... Allan!!

You're with me! Next week?

At9?

Stop stalking stars and get a hobby! Out!

Don't make a scene or you'll regret it!

Page 168

Paul! Great news!

Milena wants me to do a screen test! She likes you!!

Thank God Allan!!! I can't believe it!

You can finally get the bottle of Decanalo out of the basement, Paul!

Page 169

It totally worked!

She is so smart and has great taste in movies! And she really believes in me!

Yeah, and she might come to the agency party on Monday! Paul, wait a sec...

Where's that from?

Page 170

Looks like a fan found out and leaked it! :O So many screengrabs! Oh man, he's finished. Why didn't anyone see this before?

LOL. I always liked him. Fate hates me and my favorites. I can't believe it... How can he be so insensitive?

I don't even know the show... Why did he even get involved in something like that?

Page 174

What's wrong with the captain?

Depression is a common problem in space. Case studies show that... Please come with me to the elevator!

When I see the captain like this...

...I feel like telling him how I feel. No! Don't do that!

You're not even a living being! The mission is too important for your bullshit!

Page 175

Fantastic! That's fantastic!

Oh Albert, it is so kind of you to propose to our youngest daughter! And even more noble that you even want to provide for both sisters!

Lillian would love to marry you and move to your estate in Austria!

Page 176

Victor!

The wedding is in two weeks. Save me, please!

Page 178

I knew it! You still have it!

!!!

You're getting what you deserve. Gnn!!

I worked as a nurse for ten years.

I know how to handle difficult patients.

Page 179

...

Tell me really...is the gun real? As real as my death.

Now, now!

Five stars for scamming the guy...

...who works with fake weapons all the time.

Page 180

You can go home.

We don't have any more photos. Home...

...Where all the calls come from? I'm sure that...

...Milena still wants you.

If you don't answer the phone, you'll never know. Hey, are you even listening to yourself?

Did you know...

...that I am contractually obligated to make a second Corgi film?

Page 181

Try and get some sleep. Good night.

Page 182

Why...

Do all paths lead to the factory?

?

Page 183

This isn't like you! What...

...is that? No!

Page 184

Puff puff puff Hey!!

What's going' on? Lia said I can go...

But... the truth is that you and your Stasi grandmas won't let me...
...before we bring the stories to an end! All fairy tales need a happy ending.
Don't you agree?

Page 185

That...

That should have never happened! Allan! Ashley made a huge mistake!
We didn't want to hurt you or your career! We just wanted you to see...
!!

Page 186

The Young Protectors are on a mission in Brooklyn today. They couldn't stop Herak from destroying three skyscrapers!
Twenty people died. Penelope Powers was injured. They're finished.
You're one of them! Remember?
All they need is the last artifact... And your return.
What...?

Page 187

Inferno!! No!! Stop!
Mom!
AN earthquake!! Inferno!!
Here!
The fence needs a new coat of paint! I'm Inferno! I don't paint f...
Yes you do!
Get out and paint the fence! The quake is over.

Page 188

Thanks for taking me home. And for the shoes.
Kate? Ashley?
Is something wrong?
He said he buried his phone. Because it wouldn't stop ringing. Page 189

Damn it Allan! Answer! What...?

Is that a photo banner behind him?

...

...

...

...

He needs help.

Lia, if you start crying...

...then...

Everyone on-line is so sad...

Page 190

They're waiting for him to apologize... Or at least a sign of life.

I think that most of them still believe in him... We destroyed him.

Ah...

Look, a photo from the day...

...he choked his cardboard doll... Send

I want to cheer up the fans a little bit. OMG! Is that new???

It's so great to see him!! Such an ugly hallway!

I'd love him to be in my ugly hallway! Hey... isn't that Lia's hallway?

You're right! I visited her last year! Zoom in!

Agnes is in the back of the photo! OMG?!

HOW?!

WHAAAT?! OMG!!

Page 191

Oh no!!!

Ashley!! Are you crazy?! What have you done?! Shit, shit, shit!!!

Now what?! Blab la bla bla Blab la bla bla Blab la bla bla What ?!

Blab la bla bla Blab la bla bla

Page 192

AHHHHHHH !!

!!!

!!!

That can't be!

Page 193

I can't believe I'm going to meet Allan! Aren't you Pansexualwierdo6 from A03? Hhh

A Corgie Furry. Nice! Please help me!

Make that go away!

I can't do this!

What are you afraid of! They're all really nice!

Oh, are you the one who has two fictional children with Allan? Do you want to know their names?

Okay, at least they can't kidnap you anymore. How did you all get here?

Page 194

Banana Pie and I picked up the chicks. Look!!!

There he is!!!

!!!

I was shocked when I saw the screen grabs! Why did you post them?

Don't be afraid! The cancel culture barely exists! Hey, we should be talking about season 3...

STOP!

You...you've all....

You've all got to go!

Page 195

Oh God!! Who are they?! Sing!

Sing! Sing!

What the...?! Captain, no!

Spoken languages...

...are not allowed on this planet!

Page 196

Captain...

...This is a musical planet! You have to sing!

I'm supposed to sing to them that we come in peace?! So that they don't blow us up, or what?!

C...Captain ...I wish I could help you, but...

...I don't have a music program planned. W...why not sing what's in your heart, Captain... A...Are the freaks gone?

How did you manage that?

We bribed them with a few of your used shirts. What?!

Page 197

No! All I did was say please!

They're just nice and understanding people, okay? You don't really believe that!

Listen!

Whatever happens, I won't sing about my feelings!

Not for you and definitely not for your stupid musical planet! What are you so afraid of?

Are you trying to make a fool of me?! Oh, please!

You don't give a damn about all that science fiction stuff! You're just looking for a way to make it about your being gay! Yeah! And that's exhausting?

Page 198

Oh, and your schoolchildren's homework... Hey! Keep your hands off my kids' work!! Art classes aren't for copying!

Don't let the kids draw commercial crap!

Have you ever been to the Louvre? Or the Uffizi? I should be asking YOU that!

...

The world's major museums are full of Bible fan art!

In the 16th century, there was a competition: who can paint the strangest portrait of Jesus! Today, everyone stands in front of them and goes raves about how unique the images are! Films and pop culture are no different!

Page 199

Pah!

Art is what it does for you.

It doesn't matter if it's a story about a spider-man...

... or about someone who walks on water. There was just a great article on the subject...

!!!

Is that...

... Tom Hiddleston on your lock screen? I can't believe it!

You're kidnaped me...

... and you have Tom Hiddleston on... Okay! Stop!

Emergency series bingeing! Everyone in the living room!

Page 200

To broaden our horizons, to leave the familiar behind us... The episode was terrible...

Ugh!

The guy never brushed his teeth.

Ah, the lady only has nine toes by the way. Oh man, that looks like crap.

This is the show that gives you a purpose in life? Allan!!

...

Page 201

His hands slid up Pelham's back...

...feeling the tight muscles under his uniform...

. until they rested in Pelham's silky hair..

...while his lips explored everything and... Seriously?! This is like those cheap novels...

...the ones the guy lost his shirt on! And you don't even notice that!

Do you know who reads that stuff?

My grandma! Calm down!

What's wrong with things your grandma likes? You might just have to accept something...

...we fans own your show!

Page 202

And? I didn't write the crap!

... Why don't you kidnap the writers? Because nobody knows them!

Maybe you're too stupid to understand who... Next time we'll kidnap the writers!

Drop the in-house drama queen quota to zero! Shouldn't you be the smarter of the three?

But you're passionate about superhero films that were made to sell children's toys.

That's something that only a doctor who doesn't have her own private life can appreciate...

...and who likes guys who bang their heads together.

Page 203

Stop it, Allan!

Do you even understand what these films are really about? By the way! I didn't quit the Young Protectors!

They fired me! Because I'm too old! You're not too old!

But you do know the title of the films? YOUNG Protectors?

Page 204

You're not old! Barely four years older than me! Then call Hollywood and tell them!

Or just accept that everything you love comes from a heartless factory.

...

Fill the void in your life with something meaningful! Kate!

Sweetie!

Page 205

Hey!!

Are you crazy?

!!!

...

Well, we'll make it up to the girl.

Since when do they have such a flashy bus? Jürgen, at least take the price tag off.

!

Hello?

Page 206

No, no, no, no!!!

How dare you make her cry?

In the name of the Corgi, I punish you with fluffy paws! Captain! There's no time left!

...?!!

Page 207

Let me go! AH

Ah Ah Ah

Allan...

He looks just like this guy.

Page 208

Lia! Have you...Have you...

...! You...

You're a real freak. Allan!

Page 209

AH AH

Ah Ah Ah Ah

Woof, woof Woof woof w...what...? Woof woof Woof

Page 210 Woof woof Woof woof woof

Ah Ah

Woof woof Woof woof Allan!

Why are you doing this to me?

Page 211

Who's asked you to destroy me? Who allowed you to do it?!

Why are you putting me through this misery? Filling my head with all these thoughts?

I don't want your thoughts! And I don't want you! Who allowed you to come into my life?

Page 212

You think you're the princess in some romantic fairy tale? But you're just an ugly girl...
who lives in a garbage dump at the end of the world... and will never find true love.
Says the man who buries his phone out of fear. No!!

Page 213 Oh God!! What...?

!!!

Send the fire brigade to the old factory in the forest! Oh God!!

Page 215

Lia! Huff Huff Huff Huff Agnes!

Grandma, no!

Page 216

That was close! But don't worry, everything's fine! ...

For the future, you should be thinking about finding a home for her. That was a crazy thing to do!
What was she doing in there?

Oh, I even still have a few toy dinosaurs from the factory from back then! Were there any signs of
arson?

It was a short circuit. Unfortunately, that's nothing unusual in places like that.

...

Page 217

Everything'll be fine, Agnes!

Page 218

Uff...

Why does it always rain when sad things happen?

To the wonderful Agnes!

That she is back to her cool and tough self soon!

...

I've only ever watched Only the Wind Knows with my mother. She died last year.

When I see your face, I think of her and that makes me happy. The crew of the Opportunity is my second family!

Better than my first one! You said it!

I've always wanted Kate, Lia and me to live together! A 24/7 Fangirl life! Yes!!

But it never happened, A career and all that! Ah, Allan!

Page 219

I've organized the Opportunity -Con in Colorado for the last five years. It's the best thing I've ever done in my life!

I have a Only the Wind Knows costume blog! I host the Young Protectors podcast!

Please be my guest of honor. Oh, and Lou over there, draws... Ahh!

C...completely harmless Fanart! I edit Fanvideos for YouTube!

I made 30,000 people cry!

I run the Allan Dale Fan Club...

...in Nepal. Oh!

I write Fan fiction!

Page 220

And I comment on every chapter! A true hero!

Why don't you write real books?

...

I love fanfiction because I feel safe with the characters. They make me happy.

Reading and writing them gives meaning to my life... What do you know about fanfiction, Allan?

Have you ever read one that rips the heart out of your chest? One that is so good you would die for another chapter?!

...

You don't look like that's ever happened to you. Guys! Do you remember that one fanfiction... "The Night We Sold the Sun"?

Page 221

Oh God! Remember chapter 47?! Oh no!

When 507 gets sucked into the time warp...

...and it's 60 years later... Please just shut up!!!

...and he tries to tell Pelham how he feels from his death bed. A self-help Discord channel and three vows of silence!

How dare you...

...talk about Chapter 4! What?

Hey

...

Has anyone here...

Page 222

Oh no! You sick chicks!

Remember how we all learned bookbinding to keep the story as a book...

...? Lia...

I... I wasn't myself. Allan...

You did the right thing. I deserved punishment for what I've done to you.

Page 223

Ah!

Uff...Did something burn?

...

Page 224

.....

Okay, folks!

Emergency Karaoke cure! And...go!

Abba! Please something from Abba! "Lay all your love on me"!

Yay!!

Don't go wasting your emotion Lay all your love on me

I...I need fresh air... I feel a kind of fear

Page 225

Allan!! Oh my God!!

What have they done to you?! I'm so sorry!

...

Don't go sharing your devotion Lay all your love on me

Page 226

G...get in the car...

Don't go wasting your emotion Lay all your love on me

Allan, Milena still wants you!

She has been trying to call you! Why did you bury your cell phone? I...

Ach, shit!

Page 227

What the hell kind of place is this? W...what the hell?!

Page 228

Because everything is new and everything is you And all I've learned has overturned what I can do?

Don't go wasting your emotion

Page 229

Allan! Get back in the car!!

I've had a few little love affairs

They didn't last very long and they've been pretty scarce I used to think I was sensible

It makes the truth even more incomprehensible 'cause everything is you and everything is you

I can't come with you , Paul... What?!

Because...because someone is missing.

Page 230

I really want the part in Milena's film, but... Allan!!

You always dreamed of a leading role like this...

... to put you among the greats. But you know what?

The only people who think you're a great actor are those people. Congratulations, sunshine!

Page 231

...

...

...

...

Okay chicks, everyone in the bus. But wipe your feet!

Page 232

Uhhh... Yup

They're all gone.

Kate's already packing her things.

...

Where is Lia? Visiting Agnes. Ashley...

We're...

We're not done yet!

Page 233

Sing!

Hear my sing to clear up everything. We did not come to wage war.

We come in peace, we are not your enemy. i sing a song that unites us all

i offer you friendship and my hand

...so that the universe will bind us together in an eternal bond!

Page 234

As it should be.

...

Okay, okay! It's a love story! I wish them both the best! Are you still a fan of mine?

Sure. But in the future, I'm going to focus a little more on Tom Hiddleston.

He's cute, I admit.

Page 235

Are you packing?

Don't you want to finish your story? Allan, it's all good, you don't need to... That would be a pity, no?

Inferno!

Please don't go! No point!

I'm going to destroy them!

Page 236

That's how it ends...

You're attacking us even before Herak shows up? Don't expect any pity from me.

Once a villain, always a villain!

What you don't know though is... We have found...

... the last Artifact.

Page 237

Be...Belinda Sorry.

No!! You can't...

you can't use the artifact! You won't survive this! Oh God! He's here!

Page 238

Inferno! Today we're going to finish off Herak! Don't use the artifact!!

Inferno! Listen to me! No!!!

Take my hand! This is our city! And who is protecting this city?! The Young Protectors, am I right?!

And you're one of them!!

Page 239

Inferno! Oh, no...

Now you've sacrificed your other horn too...

...even though you knew you couldn't save me... See? You're a true superhero.

Page 240

Kiki...

Your mother was a hero. She saved the city.

I will make sure that her garden blooms every year like it did today. And I will protect you as long as you want!

Your ending is much cheesier than mine. I LOVE it!

Page 241

The movies are about family, right? Allan. Go to Lia and try.

Page 242

You burned the happy ending... Then I guess I'll have to improvise...

Page 243

My lady, can I tempt you with a snack?

Page 244

Not just a simple snack! A trip to the tropics! Lillian...

My lady! The wedding dress fitting! It's urgent!

Page 245

But...

You're right.

You deserve to be punished.. All three of you.

But...

I thought the worst thing would be to be loved by you! But it's so much worse not to be loved by you anymore...

Page 246

Lia, please...

It's not easy to be a monster. I'm not a monster!

I have found that no matter how far you travel in the universe...

Page 247

... your inner demons always travel with you. Spare me the pathetic lines, Pelham!

Victor...

I'm sorry... I lost her.

Page 248

Time to go home.

I'm staying a few more days until Agnes is back.

...

I hate you all so much! That's okay!

Page 251

Two years later...

Page 252

Dita!!

Dita!!

Allan!! Over here! Allan!!

When is part 3 coming out? Allan look over here!

Page 253 Allan! Hey!! Allan!!

Aah!!

Page 254

Mr Dale! Isn't it strange to be an inspiration for the fan fantasies of all over the world? Yeah...

May all their dreams come true. Uh...

How did the corgi behave? Ah...

Page 255

Lia?

Mr. Dale? Hey?!

Run!

Mr. Dale, stop!! Stop!

Stop!!! Hey!!

Page 256

Ah Ah Ah Ah Ah

Yes, Lillian marries that stupid Albert. And she leads a sad life because Victor never confessed his feelings to her.

But one day she hears a carriage approaching and she looks out the window. All those years of longing and sadness. And yet...

Ah

Page 257

... she was sure ...

...that he was the most precious thing that had ever come into my heart.

Page 258

Lillian leaves Albert and moves in with Victor.

Yes, they're super poor and live against the rules of society...

... but they have a few annoying children and the ugliest cat in the world. The end!

Historically, totally wrong, but wonderful, Allan! They're not following us anymore!

Ah Ah Ah Ah Ah

Lia ...

I think that you and the girls should move in together.

Page 259

Ashley was right. It would be a wonderful life. Allan...

Are you sick? Lia, I...

Allan, be reasonable.

In real life there can never be a happy ending between a kidnapper and her victim!

...

I liked you when you were totally out of touch with the world.

Page 260

Mr. Dale!! Oh...

I shouldn't keep the fans waiting any longer. But I will miss you for the rest of my life.

At least I can go to the cinema and watch your films.

Page 261

That was very reckless, Mr Dale!

You have no idea what these fans are capable of!

Page 264

For all fangirls:

stay passionate, stay cringe!

Behave yourselves! ;)

Page 269

I really have to pee!

My coffee cup is off limits!
