DELICIOUS, FISH FINGERS!

Nikki is sweating.

Maths is super difficult today.

"Blimey!"

She pushes
her red hair
behind her ear.

Stop! What is that?

It is soft. And

big.

And pointed.

Huh? Does Nikki have
too much maths cotton
wool in her head?
Is she starting to go crazy?

She quickly gets up
and goes to Mrs Fart.
Her teacher's real name is Mrs Groß.
But the other day she farted loudly.
In the middle of the school corridor.
"I have to pee," says Nikki
and dashes to the loo.

She stares
in the mirror. Is she
dreaming?

Her ears are pointed. With
a plush edge. It is cuddly
soft.
Like a teddy bear.

Nikki blinks.

She feels funny. Very
funny!

She'd best go home. Right now.

Jawohl! Yes!

Luckily she is wearing
a jumper with a hood.

She pulls it over her head. A
breeze of old fat wafts through
the corridor. Nikki sniffs.

Fish fingers are being served in the canteen. Delicious!

Wait a minute, she doesn't like fish.

She doesn't eat animals at all.
She loves them far too much
for that. Especially Cucumber,
her hamster. The smell gets
stronger.
